DECISION OF THE ENERGY CHARTER CONFERENCE

Subject: Opening of negotiations on the inclusion of Energy-Related Equipment in the Trade Provisions of the Treaty (Article 31)

The Conference formally opened negotiations on the inclusion of energy-related equipment in the trade provisions of the Energy Charter Treaty, as required by its Article 31. It invited the Secretary-General to submit proposals to its next meeting on the constitution of a Working Group to deal with this subject, on the terms of reference of that Group, and on the timing of its first meeting.

Keywords: Trade Amendment, Energy-Related Equipment
