STATEMENT MADE UNDER ARTICLE 26 (3)(b)(ii)

COUNTRY: Portugal

MEASURE: Law 31/86, 29 August 1986

DESCRIPTION: Article 26/2 of this Law provides that the award of a arbitral tribunal has the same value as a first instante tribunal award, which means that an arbitral tibunal can not be used as a court of appeal. Being so, an investor may only submit a dispure to an arbitral tribunal if an award has not been rendered on the same dispure.
