

Statistics of ECT Cases

(as of 25/3/2020)

As of 25 March 2020, the Secretariat is aware of 129 investment arbitration cases instituted under the Energy Charter Treaty (sometimes invoked together with a Bilateral Investment Treaty).

Since parties to investment arbitration under Article 26 ECT are not obliged to notify the Secretariat of the existence or substance of their dispute, some awards (and even the existence of some proceedings) remain confidential. The Secretariat compiles information (which cannot be considered as exhaustive) from delegates and public sources (including specialized reporting services). The Secretariat assumes no responsibility for eventual errors or omissions in these data and welcomes any additional information or clarification on specific cases (at legalaffairs@encharter.org).
